## Data overview

PropNo	PLOT #19 MALTA 01
City	Malta
Purchase price	15.000,00 €

## Description

The property is located on a small access road in Malta (Mani) and is reached via a connecting path. It was previously used as a vegetable garden and recreational plot. A potential building option is currently under review.

Using the property as a parking space for a caravan may be requested if needed.

Malta is a small, authentic mountain village in the Mani region, rich in history and rural culture. It's ideal for hiking, visiting historical landmarks, and enjoying peaceful moments far from mass tourism – yet still close to seaside destinations like Kitries and Kardamyli.

## Location

The village of Malta, located in the Messenia region and part of West Mani, is a small, historically and mythologically significant settlement with around 100 permanent residents.

Malta lies near the village of Kambos of Avia (approximately 1 km to the west) and about 22 km southeast of Kalamata.
