Description

A wonderful opportunity to acquire a 2,005 m² buildable plot in one of the most sought-after areas of the Mani. Perfectly positioned with easy access to the Kalamata–Areopoli road, this property combines convenience with natural beauty.

Set on an elevated site, the plot enjoys breathtaking views down to Pantazi and the Messinian Bay beyond, while the dramatic Taygetos mountains rise just behind the plot. To one side, the land borders the spectacular gorge leading from Rigklia to Eleochori, crea-

ting a unique sense of space and scenery.

The land itself is fairly flat and easy to develop, with access to water, electricity, and other essential services nearby. Its orientation and layout make it simple to unlock its full potential, whether for a private residence or a holiday retreat.

This is a truly stunning location, offering both privacy and proximity to local amenities, with the natural landscape of the Mani at your doorstep.
