Description

The building plot is located on the access road to the exclusive villa resort “Sea Rocks” in the West Mani region, south of Kalamata.

Sea Rocks is uniquely situated on a hillside, offering spectacular views of the Messinian Gulf. The surrounding plots are nestled within expansive olive groves, providing a peaceful

and private atmosphere—just minutes away from the charming coastal villages of Kitries and Kardamyli. The region combines pristine nature, traditional mountain villages, and cultural landmarks, making it ideal for nature lovers, those seeking tranquility, and independent travelers.
