Description

The spacious building plot is also located on the access road to the exclusive villa resort “Sea Rocks” in the West Mani region, south of Kalamata. It extends far up the hillside, which is covered with olive groves and Mediterranean vegetation.

Sea Rocks is uniquely situated on a hillside, offering spectacular views of the Messinian

Gulf. The surrounding plots are nestled within vast olive groves, providing a peaceful and private atmosphere—just minutes away from the picturesque coastal villages of Kitries and Kardamyli. The region combines pristine nature, traditional mountain villages, and cultural landmarks, making it ideal for nature lovers, those seeking tranquility, and independent travelers.
